Brand New Book ***** Print on Demand *****.FRENCH PHRASES Vol.3: French to English THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity - through the inclusion of individual words or other phrases. The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. The digital edition also contains the content in English to French format. However, the print versions in English to French and French to English are two separate books. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text - like in 2Language Books editions -, or suitable French only text:...
