

An Invitation to Anthropology: The Structure, Evolution and Cultural Identity of Human Societies

By Josep R. Llobera

Berghahn Books. Paperback. Book Condition: New. Paperback. 274 pages. Dimensions: 9.1in. x 5.9in. x 0.6in. Lloberas book is impressive in its comprehensive and encyclopaedic presentation of theories and key concepts relating to all aspects human societies . . . Although controversial, Lloberas elementary book is welcome because it opens the way for new debates and discussions in anthropology . . . It is courageous and provocative, but first of all it is a fresh, detailed and sophisticated introduction to an old discipline. Social Anthropology This introduction to anthropology for undergraduates reflects a blend of textbooks in Europe and the US . . . excellent chapters. JRAI Synthesizing British, French and American traditions, this stimulating and accessible text presents a comprehensive and fascinating introduction to social and cultural anthropology. It offers an original approach through integrating knowledge produced from a variety of perspectives, placing cultural and social anthropology in a wider context including macro-sociological concepts and reference to biological evolution. Written in a clear and concise style, it conveys to the student the complexities of a discipline focusing on the structure, evolution and cultural identity of human societies up to the present day. The text consists of four major parts: the scope...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
