### ***Reviews***

*Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.*

*(Prof. Damon Kautzer III)*

## NINJAS AND TALKING TREES

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.George Francis is a normal accountant in Fort Wayne, Indiana, who has it all: a disciplined routine, a great job, and a hot girlfriend named Destiny. Well, there are his uber-nerd college buddies, but they re mostly harmless.until meeting his Destiny. She dumps George immediately. They invite a heartbroken George to join them at a renaissance faire to make it up to him. But after entering a port-a-potty to soothe his aching stomach, George is transported to the world of Loconia and chased by ninjas. Soon George meets Sensei, a Talking Tree who was once a samurai. He insists George is the Hero of Legend, and it s his new destiny to liberate Loconia from the eccentric tyrant Marcus the Morally-Dubious in order to return home. George must survive Sensei s grueling training (which includes dueling a samurai banzai tree) and then rescue Princess Pansy/Roze, who s been cursed with a split personality-one good, one evil-that switches whenever someone snaps his fingers. To complicate matters, the good one is in love with George and the evil one plans to marry Marcus. But George isn t alone. He recruits Loconia s bravest and finest to battle Marcus Legions of Terror: an unknowingly hapless pretty boy; an inarticulate Barbarian carrying a well-spoken ax; and a redneck wizard whose spells work better when he s drunk. Oh snap! Will George s sanity survive? Will he become the Hero of Legend? Will you stop reading this and get the book to find out? (Just don t skip to the end, you cheater!).
