Niyogi Books. Paperback. Book Condition: new. BRAND NEW, The Point of Vanishing: A Tale of Truth and Things Imagined: A Tale of Truth and Things Imagined, Rashid Maxwell, Victor is escaping from a world of crumbling institutions, power and paranoia. He faces, one by one, the heartaches and the inner challenges we human beings are called upon to face. He tangles with a tantric lover, faces death in a meeting with his long-dead parents and flounders in the mirages of mind. We travel with him through the sometimes tragic, sometimes comic landscapes of the modern world. In this expansive work, the author interweaves related stories from his own inexplicable life. This is an adventure story that is spiritual, not religious. It is a journey to self-realisation - a journey that we all must make at some time in the cycle of our lives. This is a journey of self-discovery.
