Oxford University Press, United Kingdom, 2013. Paperback. Book Condition: New. Reprint. 231 x 155 mm. Language: English . Brand New Book. Broad agreement exists among politicians and policymakers that the family is a critical institution of American life. Although not all family forms will further the important functions that warrant state support, she argues that a broad range will. Eichner's vigorous defense of the state's responsibility to enhance families' capacity for caretaking and human development stands...
