## WRITE YOUR NAME IN KANJI

[DOWNLOAD](#)

Tuttle Publishing, United States, 2002. Paperback. Book Condition: New. Revised. 207 x 136 mm. Language: Japanese, English. Brand New Book. This book is intended to help you easily determine your Japanese name and learn the most suitable way to write it with Japanese Kanji. Japan more than most countries, places an emphasis on harmoniously blending in with others. In fact, it has not one, but two proverbs similar to the Western, When in Rome: Go ni itte wa, go ni shigagae, or Obey the customs of the village you enter; and Deru kugi wa utareru, or The nail that sticks up will be hammered. This suggests, then that the Westerner who manages to leap across the cultural chasm and adapt his or her name to the vernacular is taking the first step toward a happy and productive stay among the Japanese. Even though an English name might not have an equivalent Japanese name, Write Your Name in Kanji will help you understand what goes into selecting a name, and will present a number of choices so that you can pick the most appropriate characters to represent your own name in the Japanese language. In doing so, this book may even help give you a better understanding of your original English (or other) name. As you will see with this Kanji book, you may consider several different Japanese equivalents for your name and select the most appropriate to your tastes and character. If you are not satisfied with the meaning carried by your original English name, chances are that you can find a name approximating it phonetically but containing a fabulous meaning that your English name lacks. You may decide to use one of the attention getting transcriptions to amuse your friends or deliver such an unforgettable first impression...
