Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Trumpet: Picador Classic (Main Market Ed.), Jackie Kay, With an introduction by Ali Smith. When the love of your life dies, the problem is not that some part of you dies too, which it does, but that some part of you is still alive. The death of legendary jazz trumpeter Joss Moody exposes an extraordinary secret. Unbeknown to all but his wife Millie, Joss was a woman living as a man. The discovery is most devastating for their adopted son, Colman, whose bewildered fury brings the press to the doorstep and sends his grieving mother to the sanctuary of a remote Scottish village. Winner of the Guardian Fiction Prize, Trumpet is a starkly beautiful modern classic about the lengths to which people will go for love. It is a moving story of a shared life founded on an intricate lie, of loving deception and lasting devotion, and of the intimate workings of the human heart.
