Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from How to Camp Out In these few pages I have tried to prepare something about camping and walking, such as I should have enjoyed reading when I was a boy; and, with this thought in my mind, I some years ago began to collect the subject-matter for a book of this kind, by jotting down all questions about camping, c., that my young friends asked me. I have also taken pains, when I have been off on a walk, or have been camping, to notice the parties of campers and trampers that I have chanced to meet, and have made a note of their failures or success. The experiences of the pleasant days when, in my teens, I climbed the mountains of Oxford County, or sailed through Casco Bay, have added largely to the stock of notes; and finally the diaries of the war, and the recollections of the field, have contributed generously; so that, with quotations, and some help from other sources, a sizable volume is ready. Although it is prepared for young men, - for students more especially, - it contains much, I trust, that will prove valuable to campers-out in general.
