So try lifting your hands and giving Him the glory. You will not regret that you did. Praise until you break through. Break through the plans of Satan! And break through to your next level in God! Do you feel like you are at a standstill in your relationship with God? Do you want to experience God on another level? In Deliverance Is in Your Praise! author Keesha James shares God's inspirational message with others that need Him in their lives-for with God, all things are possible. Although God is always the same, our relationship with Him is constantly changing. It's true that if you want something to change you must do something different to make it happen. One way to experience God differently is through your style of worship. God has perfected praise in us. But for many, this exaltation has been lying dormant. Now it's time to put it to use. Whether you shout unto the Lord with a voice of triumph or choose to honor God silently, deliverance is in your praise!.
