*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

Sort of Books. Paperback. Book Condition: new. BRAND NEW, A Parrot in the Pepper Tree: A Sequel to "Driving Over Lemons", Chris Stewart, Chris Stewart's Driving Over Lemons (9780956003805) told the story of his move to a remote mountain farm in Las Alpujarras - an oddball region of Spain, south of Granada. Funny, insightful and real, the book became an international bestseller. A Parrot in the Pepper Tree, the sequel to Lemons, follows the lives of Chris, Ana and their daughter, Chloe, as they get to grips with a misanthropic parrot who joins their home, Spanish school life, neighbours in love, their amazement at Chris appearing on the bestseller lists . . and their shock at discovering that their beloved valley is once more under threat of a dam. A Parrot in the Pepper Tree also looks back on Chris Stewart's former life - the hard times shearing in midwinter Sweden (and driving across the frozen sea to reach island farms); his first taste of Spain, learning flamenco guitar as a 20-year old; and his illustrious music career, drumming for his school band Genesis (sacked at 17, he never quite became Phil Collins), and then for a circus.
