And he keeps that vow for many years as he becomes a solid citizen of the affluent shoreline town of Hastings, Connecticut. Patty Bass, a runner and former actress, is elated when she is hired to teach third grade at the award-winning Island Brooke School in Hastings. Newly married and in the best of health, her own death is the farthest thing from her mind as she begins the academic year. But then Patty is shocked to discover that her renowned principal is changing standardized test scores. After she reports the test tampering to the superintendent of schools, Patty hopes that she can step back and stay out of the furor that erupts in town. What Patty doesn't know is that her act of good citizenship has just opened the door for the cold-blooded sociopath to initiate his well-orchestrated third murder.
