Reviews

An exceptional publication as well as the font employed was exciting to see. It was actually written extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

PREFACE The lectures published herein are the expansion and formulation of four papers prepared and delivered at the Summer School for Clergy in Albany in 1913. They were repeated at the Summer School at Faribault, Minn. , under the auspices of the Seabury Divinity School and at the Summer Conference of Church Workers at Cambridge in 1915, and appeared in the American Church Monthly in the years 1917-18. It is hoped that as now printed, with added notes they may be found suggestive. The Use and Abuse of Church History I. The Scientific Method. A WAGGISH acquaintance used to delight to say from time to time to the writer of these papers, My dear friend, there is nothing in the world that can lie like figures, except history. That remark is a terse and unqualified expression of a difficulty that exists in the minds of many people who are really concerned in examining and studying everything that bears upon the religious problems of the day and the various movements towards the restoration of visible Church Unity. The historian always is confronted with certain difficulties which are inevitable and incapable of removal, but are not readily recognized and admitted as such by the inexpert. The statement of this situation is clearly expressed by two eminent French historians writing on the study of history. In comparison with students in other departments of learning, the historian finds himself in a particularly difficult position. Not only is it never granted...
