As her senior year in high school begins and the escape of her dark secret draws near, she finds someone unexpected. Dannie struggles to move past her torments, hide the truth from her friends, and keep it together until she can finally have what she has always wanted: freedom. Reed is a junior who just moved to California from Kansas. Wildly attracted to Dannie, he is convinced she is everything he has been waiting for. After fate leads them to finally meet in the school library, Dannie first tries to place Reed in the dreaded friend zone. But she too cannot ignore the obvious chemistry. As Reed teaches her how to find hope, trust, and even love, Dannie must decide whether to harbor her secrets or reveal the truth and risk everything. While she wrestles with her decision, Dannie has no idea that a secret obsession will drive another young man to stop at nothing until she is his and his alone. The Face You See shares the compelling tale of a teenage girl's quest to free herself from her past where she finds hope in the most unlikely of circumstances, the courage to embrace love, and the will to defy all odds.
