Paper Golem LLC. Hardcover. Book Condition: New. Hardcover. 172 pages. Dimensions: 9.1in. x 6.2in. x 0.8in. Small Press newcomer, Paper Golem, embarks on an exciting, new annual series, a celebration of the novella, long touted as the ideal length in speculative fiction. Subtitled A Distillation of Four Novellas, ALEMBICAL brings together four of the field's top authors, and gets out of their way! Jay Lakes America, Such as She Is populates post-apocalyptic Oregon with beautifully written character studies. In 13 Miles to Paradise, Bruce Taylor occasionally gets too self-indulgent, but the story itself five internal monologues of a family heading to a vacation spot is highly enjoyable. James Van Pelt's Harvest is a moving ghost story in which three believably complex high school students deal with grief, love and religion. Ray Vukcevich anchors the book with the witty Now You See Us, a love story set against the background of a lost Arctic village and lecherous, time-traveling Finnish monks. Short story writers Schoen and Dorrance have chosen well: these novellas cover a wide variety of subgenres and show off the talents of four impressive writers. The finely crafted writing should appeal to fans of both speculative and mainstream fiction. -- From the PUBLISHERS WEEKLY starred review. A stylish collection of stories that continually make you think about what it might mean to be human in strange, unpredictable realms. -- Brian Herbert, co-author of the DUNE sequels and prequels. Here are four of the deftest sleight-of-hand artists working in the fantastic today. . . They will slip past your expectations before you know it and astound you without ever raising their voices beyond a hypnotic murmur. -- James Patrick Kelly, Hugo, Nebula, and Locus award-winning author. The four novellas of ALEMBICAL will take you to wildly diverse places. . . Challenging, intricate, and beautifully...
