Miracles display the glory of God on earth, impacting people, circumstances and conditions. The unexplained healing of illnesses and diseases, the sudden deliverance from dire circumstances, the divine transformation of entire communities, the immediate calming of storms, tornadoes, hurricanes and earthquakes in the open sight of man are the stuff of miracles. Biblical history substantiate the significance of miracles, including Moses in the dividing of the red sea, Daniel in escaping the mouth of the Lion and Shadrach, Meshach and Abednego in silencing the violence of fire. Without miracles who would know the extent of God's glory toward man. The great invisible power unseen by man and incomprehensible by reason must make His self known. The knowledge in this book empowers believers to destroy depression, oppression and victimization in their lives as well as the lives of those that surround them.
