Indian Cuisine has much more to offer than Curries and Tandoors. Kerala the southern state of India, Advertised by state tourism as gods own country for its natural beauty. When considering international recognition for Indian cuisine Kerala has not yet received its deserved place. As a chef I am proud to represent my homeland, In this book the basic recipes are preserved to its complete origin from my mother even its presented in its luxurious way. This book is done as a chef-learning diary than normal cookbooks; all the recipes are tested and tried in my home kitchen Through the book, we will discuss more than Kerala cuisine recipes, like food designing, plating concept, restaurant business and more Chefs always aim to own and cook in your restaurant, While working for others Factors in food design concept How, what, where These factors have to complement each other rarely even contrasting when combined will result in excellent food presentation scenario. How to maximise on your cooking skills and Ingredients used. Sometimes you need to play with contrasting colours when presenting complex dishes(more than three main Ingredients) We learned cooking is the art and science of good eating. In addition, it can be defined as the study of food and culture, with a particular focus on gourmet cuisine. One who is well versed in gastronomy is called a gastronome, while a gastronomist is one who unites theory and practice in the study of gastronomy. However, many occasions chefs who challenge the laid down path have succeeded in creating a name for him-self. Many food presentations are closely related to the people culture and their eating habits, even religions have greater influence how food...
