Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The most noticeable characteristic of the extraordinary literary development of the South since the Civil War is that it is almost entirely in the direction of realism. A people who, up to that time, had been so romantic that they wished to naturalize among themselves the ideals and usages of the Walter Scott ages of chivalry, suddenly dropped all that, and in their search for literary material could apparently find nothing so good as the facts of their native life. The more commonplace these facts the better they seemed to like them. Evidently they believed that there was a poetry under the rude outside of their mountaineers, their slattern country wives, their shy rustic men and maids, their grotesque humorists, their wild religionists, even their black freedmen, which was worth more than the poetastery of the romantic fiction of their fathers. In this strong faith, which need not have been a conscious creed, the writers of the New South have given the world sketches and studies and portraits of the persons and conditions of their peculiar civilization which the Russians themselves have not excelled in honesty, and hardly in simplicity. To be sure, this development was on the lines of those early humorists who antedated the romantic fictionists, and who were often in their humor so rank, so wild, so savage, so cruel, but the modern realism has refined both upon their matter and their manner. Some of the most artistic work in the American short-story, that is to say the best short-story in the world, has been done in the South, so that one may be reasonably sure of an artistic pleasure in taking up a Southern...
