Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A biography of one of the most important scientists and mathematicians of the 1600 s. Not only was he a brilliant scientist, but he was converted to Christianity as an adult and became a devoted apologist for the Christian faith. Of special interest to home schooling families, this book recounts the recognition by Pascal s father of his remarkable talents and the provisions he made for his son s education - one of the earliest and most successful examples of home schooling! For Christians, the account of Pascal s conversion is particularly moving as well as Pascal s immediate response to share the Gospel with his father, his sister and even with the nobleman who was his financial patron. This book is written on a 5th-6th grade reading level, but younger children will enjoy having it read out loud to them.
