## THE SUICIDAL MIND

[DOWNLOAD](#)

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, The Suicidal Mind, Edwin S. Shneidman, Suicide haunts our literature and our culture, claiming the lives of ordinary people and celebrities alike. It is now the third leading cause of death for fifteen- to twenty-four-year-olds in the United States, raising alarms across the nation about the rising tide of hopelessness seen in our young people. It is a taboo subtext to our successes and our happiness, a dark issue that is often euphemized, avoided, and little understood. In our century, psychology and psychiatry alike have attempted to understand, prevent, and medicalize these phenomena. But they have failed, argues Dr. Edwin Shneidman, because they have lost sight of the plain language, the ordinary everyday words, the pain and frustrated psychological needs of the suicidal individual. In *The Suicidal Mind*, Dr. Shneidman has written a groundbreaking work for every person who has ever thought about suicide or knows anybody who has contemplated it. The book brims with insight into the suicidal impulse and with helpful suggestions on how to counteract it. Shneidman presents a bold and simple premise: the main cause of suicide is psychological pain or "psychache." Thus the key to preventing suicide is not so much the study of the structure of the brain, or the study of social statistics, or the study of mental diseases, as it is the direct study of human emotions. To treat a suicidal individual, we need to identify, address, and reduce the individual's psychache. Shneidman shares with the reader his knowledge, both as a clinician and researcher, of the psychological drama that plays itself out in the suicidal mind through the exploration of three moving case studies. We meet Ariel, who set herself on fire; Beatrice, who cut herself with the intent to die;...
