

The Bridge at Andau: The Compelling True Story of a Brave, Embattled People

By James A. Michener

Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, The Bridge at Andau: The Compelling True Story of a Brave, Embattled People, James A. Michener, The Bridge at Andau is James A. Michener at his most gripping, the classic nonfiction account of a doomed uprising as searing and unforgettable as any of his bestselling novels. For five brief, glorious days in the autumn of 1956, the Hungarian revolution gave its people a glimpse at a different kind of future--until, at four o'clock in the morning on a Sunday in November, the citizens of Budapest woke to the shattering sound of Russian tanks ravaging their streets. The revolution was over. But freedom beckoned in the form of a small footbridge at Andau, on the Austrian border. By an accident of history it became, for a few harrowing weeks, one of the most important crossings in the world as the soul of a nation fled across its unsteady planks.
