### Reviews

*It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

Excerpt: Glossolalia or speaking in tongues is the fluid vocalizing (or, less commonly, the writing) of speech-like syllables, often as part of religious practice. The significance of glossolalia has varied with time and place, with some considering it a part of a sacred language. It is most prominently practiced within Pentecostal and Charismatic Christianity, but it is practiced in non-Christian religions as well. Others believe that the vocalizations are meaningless and cite hypnosis, mental illness, and social learning as scientific explanations. 94 pp. Englisch.
