BRAND NEW, Clinical Guide to Positional Release Therapy with Web Resource, Timothy E Speicher, "Clinical Guide to Positional Release Therapy With Web Resource "provides professionals in the sports medicine and therapy fields with an easy-to-read reference on the clinical application of positional release therapy (PRT). The book is an invaluable resource for those who desire to learn, practice, and perfect the art of PRT to gently treat patients of all ages who have acute and chronic somatic dysfunction, including tightness and pain.
