No labored strategizing or belly itching: just quick instincts and the instantly recognizable click-clacking of its hypnotic rhythm. The sociable aspects of the game are today leading thousands of people to rediscover the sport, with tables popping up in all the hippest bars and workplaces. The joys and tribulations of ping-pong are beautifully illustrated in this delightful little gift book; the rules of singles and doubles games are clearly explained and tips and techniques provide readers with the crucial edge to vanquish their opponents. Photography from tournaments sits alongside classic archival imagery, bringing the book alive while paying tribute to the sport's vintage roots.
